8

On January 25th, the Westerville North Drama Department presented the annual Talent Show. It was held during school hours and cost fifty cents. Thespian President Lisa Savage was in charge of the show in which eleven different acts were performed. There were four bands, including Culture Club, Contraband, Rubocon, and Molecular Fire. Five soloists included Pete Loeb, Barb Williams, Lavonda Cates, Angela Ai, and Larry Herald, and two dance routines were performed by Michelle Moore and The R.C.'s.

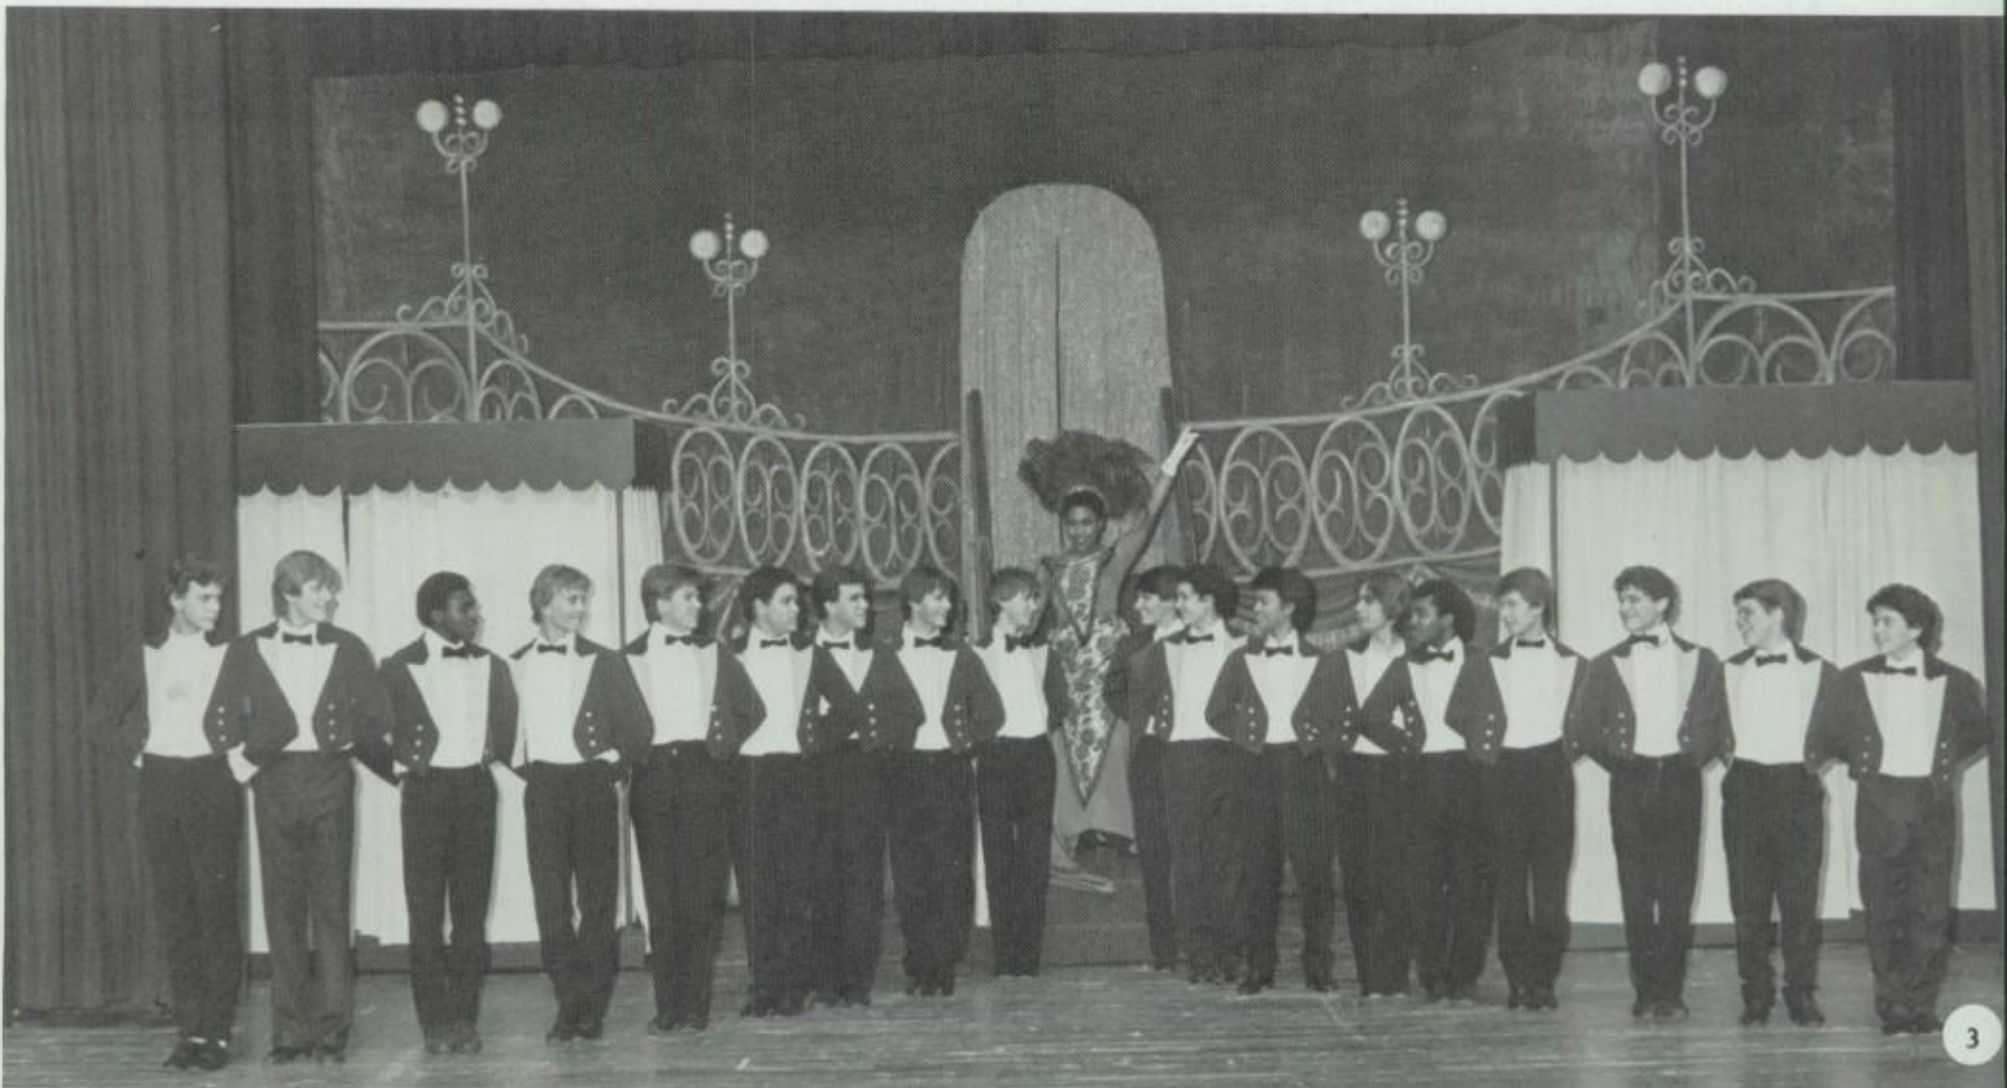

This annual event packed the gym with enthusiastic members of the student body. This year the lip sinc of Culture Club's Boy George brought both cries of delight from amorous females and moans from less adoring members. The crowd moved in rhythm to the energizing drum solo by Larry Herald. The traditional performance by Molecular Fire rocked the gym with the foot-stomping, hand-clapping youth,

in appreciation of their favorite teachers' band.

With the success of the Talent Show, the drama department raised over five hundred dollars to help produce the musical *Hello, Dolly*.

Seniors get their day at last

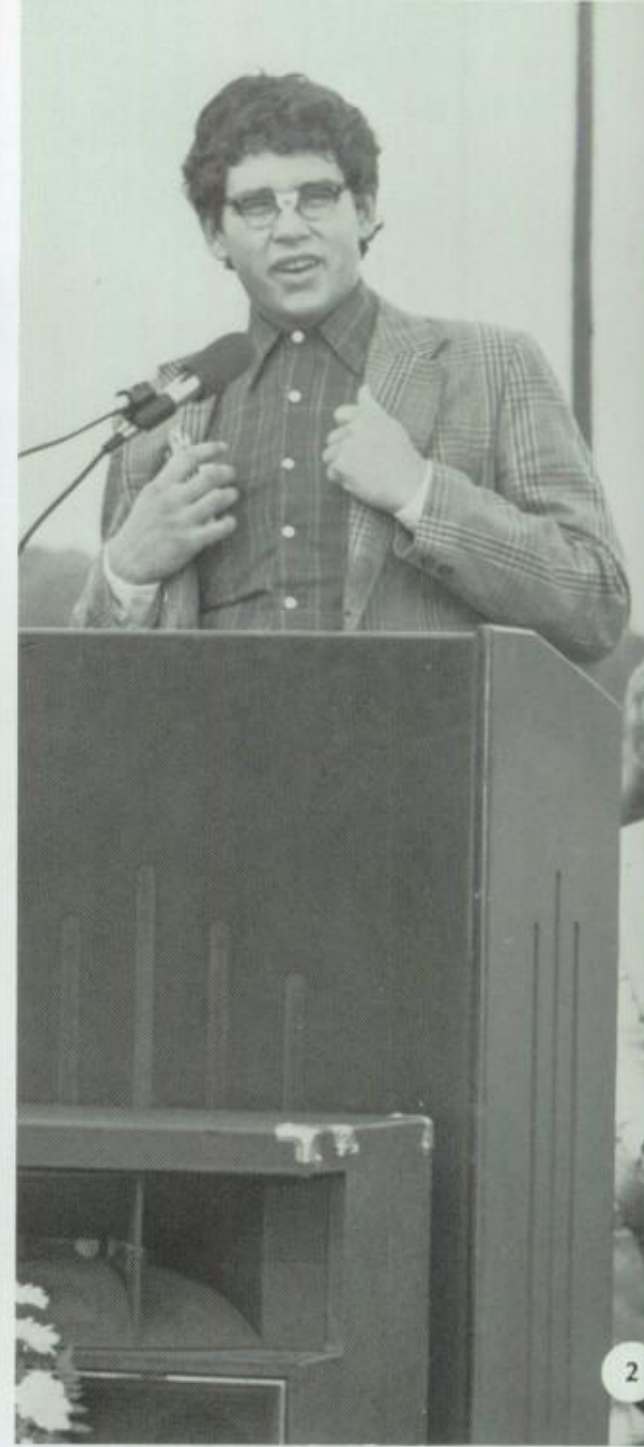

The seniors in the Class of '85 spent many frustrating months trying to find a way to have a picnic after the State decided that all students would attend school for a full year. Finally, May 31 was declared Senior Day with the understanding that the end-of-year activities for seniors would be discussed there.

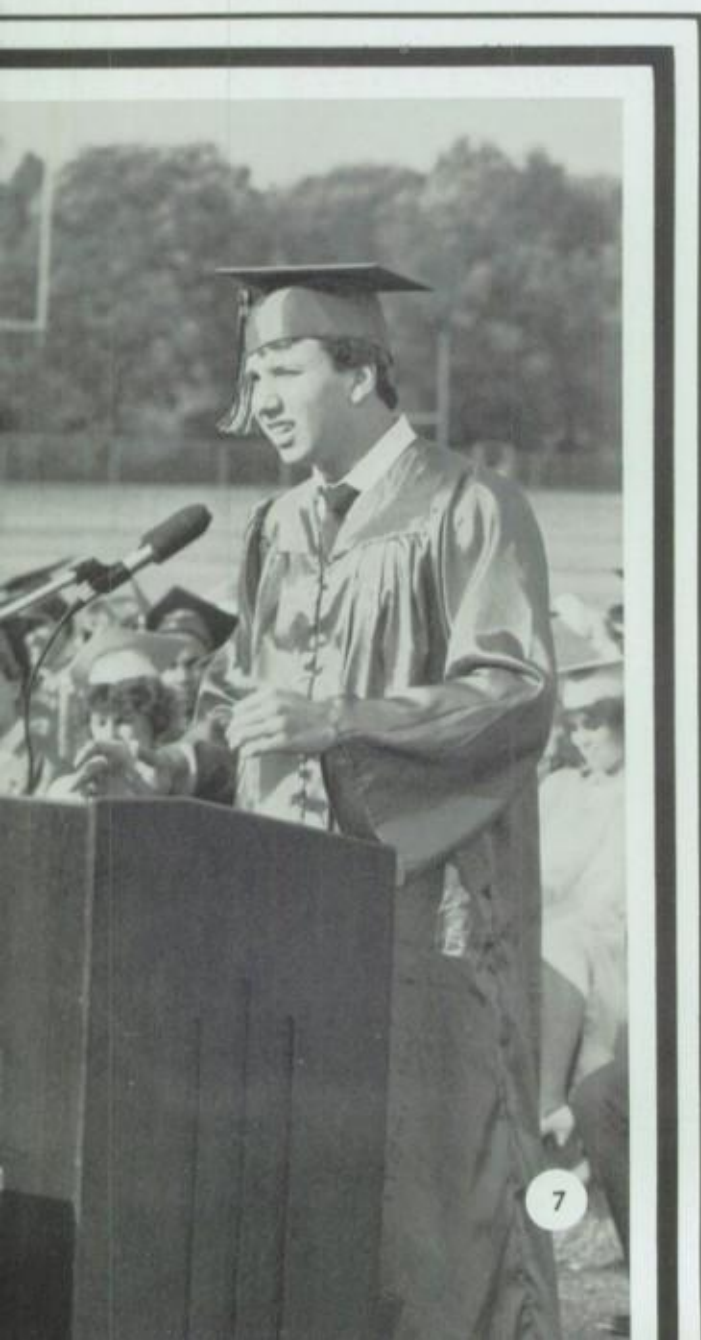

The picnic was held at Blendon Woods under cloudy skies. The football, soccer, and frisbee games were interrupted early for lunch due to the threatening weather. The rain did hold off, and the traditional shaving cream fight took place. There were not many seniors who were left untouched by the white foam.

The annual picnic was a great way for the seniors to relax and enjoy themselves before their grueling days of final exams.

1. This group of seniors takes a break from all the activities to listen to some "soothing" music.
2. Jeff Haller, Beth Savage, Jeff Anderson, Laura Croy, Shelley Strosky, Beth Sweeney, Lisa Savage, and Becky McCalla relive one of their fondest grade school memories — recess.

Class of 1985 flying free

On June 8, the Class of '85 concluded its four years of high school. Rain threatened the practice which began at 4:00, but when 6:30 rolled around for the actual ceremony, the sun shone beautifully. Amy Noble and Tom Pullin were chosen as speakers. After receiving their diplomas, the Class carried out the tradition of throwing their caps into the air.

THE TENTH YEAR OF ...

ATHLETICS

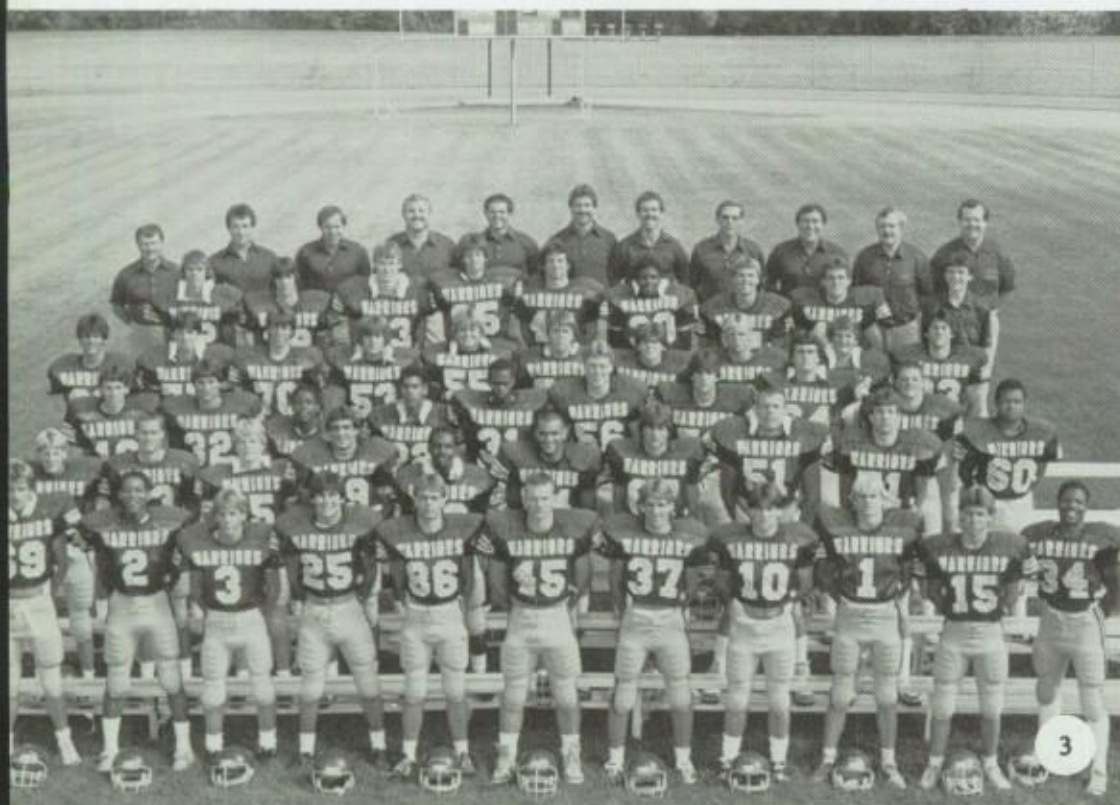

Warriors topple Gahanna!

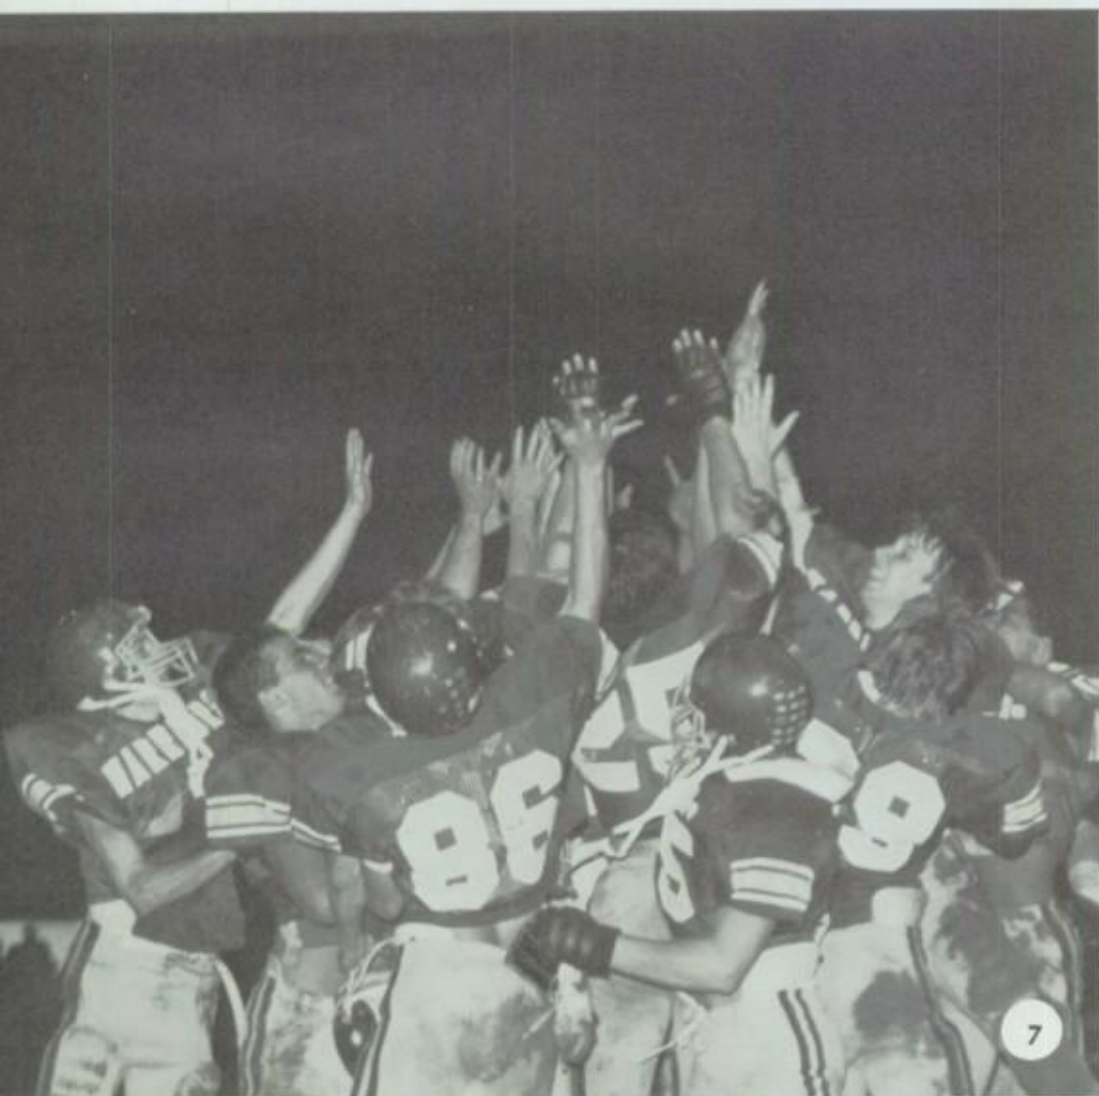

The Warriors finished with an 8-2 record for the year, which was one of highs and lows. The highs came early for the Warriors, when they defeated Gahanna in front of a sellout crowd. "That was a special one", said Doug Owens, "that was what we worked all summer for." Doug booted a 38-yard field goal to secure the victory for the Warriors. Then came the first disappointment of three, a loss to Beechcroft, "not much you can say, we just weren't prepared," explained Mike Ochsenhirt.

The next disappointment was a loss to Whitehall; this was a costly game; it meant the loss of a chance at state playoffs and the league championship. Coach Balconi says this senior class will be remembered for their great attitude, and awesome hitting ability. It was stated best by Shawn McCafferty when he said, "The coaching staff is more than a group of coaches; it's like a second family, the big brothers I never had."

J.V. gains experience

The Junior Varsity football team finished off the year with an outstanding record of 8 wins and 1 loss. The young Warriors matured greatly throughout the year, and should be more than ready to carry on the strong Warrior tradition. Leadership was provided offensively by Mic Gordon, a sophomore, who also played varsity ball. Defensively it came from Mike Neubig, who lead the team from his inside linebacker position.

Freshmen flourish

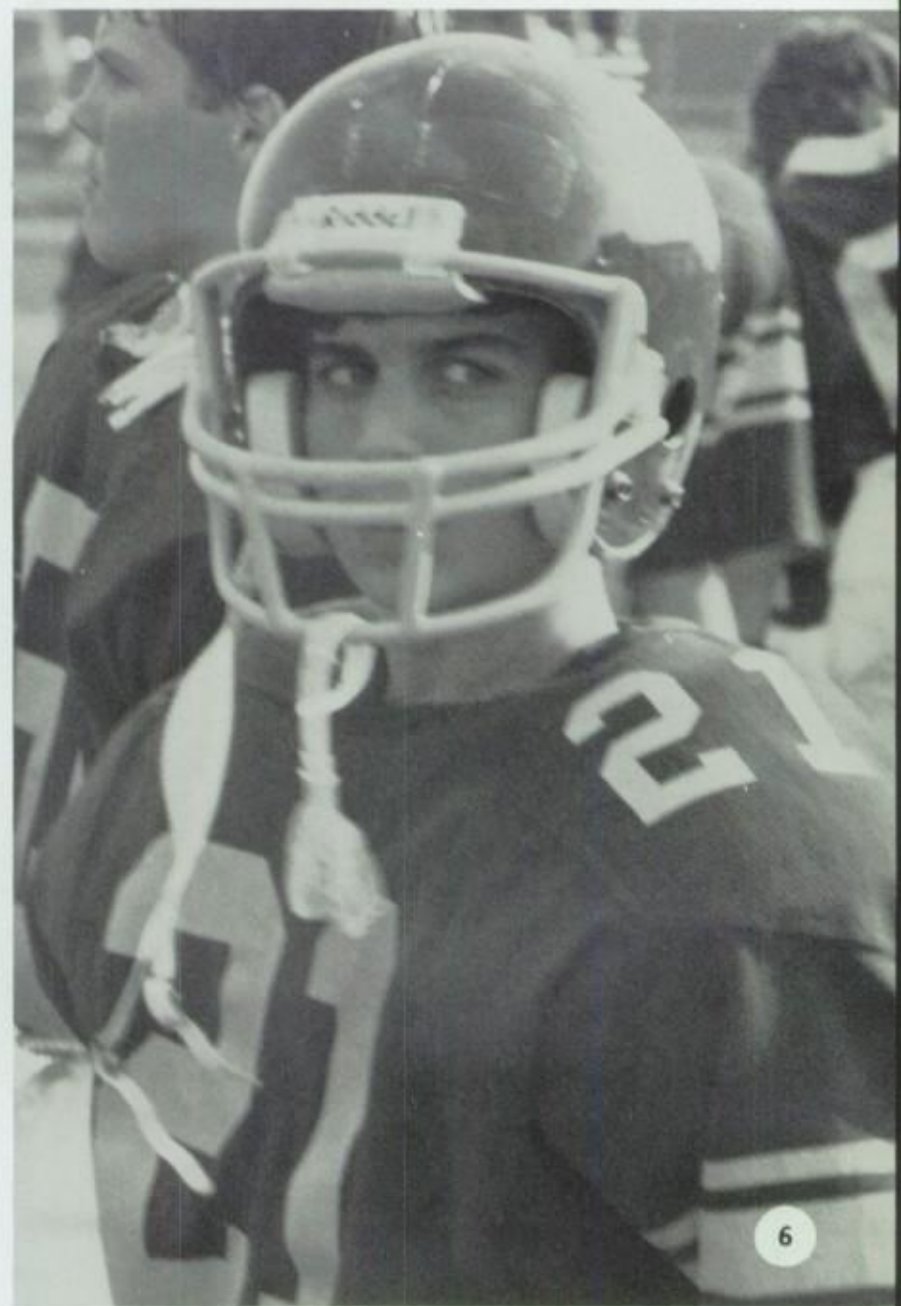

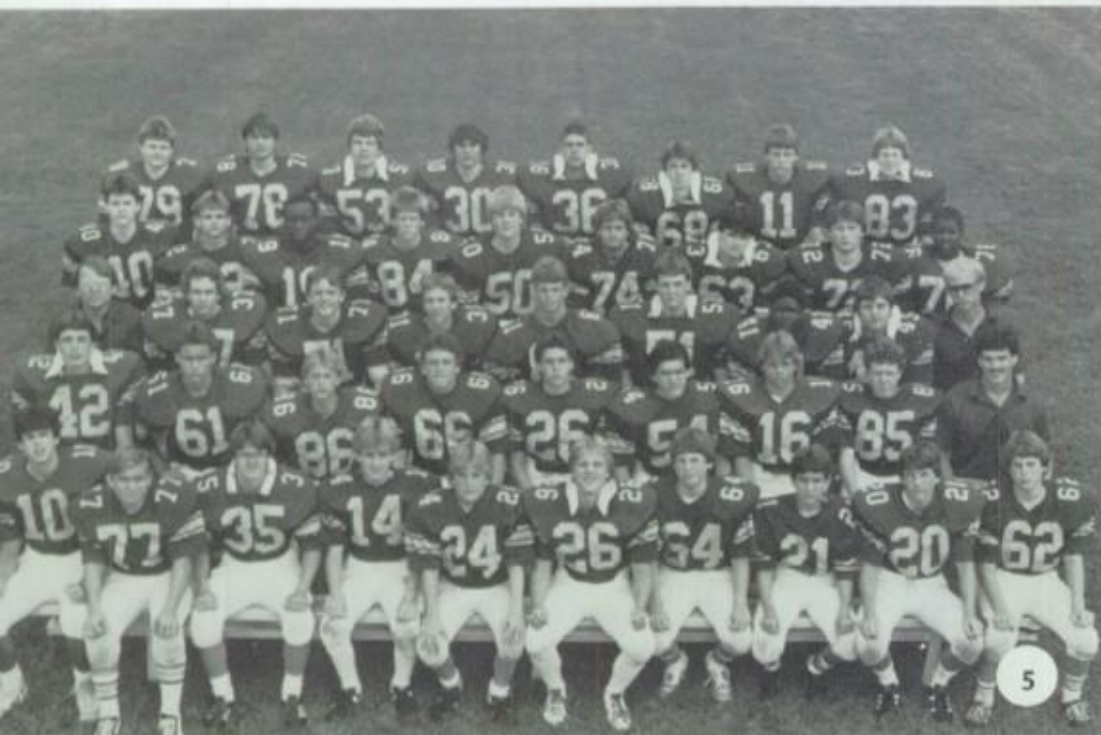

The Freshman football team ended its season with a record of six wins and only one loss. This was partly due to their strong defensive play, which held their opponents to a grim 6.1 points per game. The offense also did a fine job rolling up 1000 yards in total. Roger Munroe led the freshmen offense in rushing and scoring. Pat Engle controlled the defense by averaging eleven tackles per game. The young Warriors finished on a strong note, prevailing over the cross-town rivals.

Cheerleaders fire-up football

The 1984 Freshman Football Cheerleaders attended a U.C.A. cheerleading camp at Miami University last August. Their advisor was Miss Barb Keefer, a 1984 graduate of Westerville North. The JV and Varsity teams, coached by Miss Michelle Hicks, Mrs. Sue Balconi and Mrs. Sue Stegner, attended a U.S.C.A. cheerleading camp at The Ohio State University last July. Both teams were successful in the camp competition. They received first place awards for their performances of cheers and pom pom

routes. These awards qualified the teams to compete in the U.S.C.A. Nationals which were held in Lansing, Michigan in August. The Varsity team attended the competition and placed in the top 20 Varsity teams. Laurie Cochran, Tamara Dohnert, Kym Wilson, Jenny Croce, and Becky Johnston qualified to compete as individuals. Jenny and Becky finished in the top 20. It was a learning experience for all the girls.

Cheerleaders rate #1

The 1984-85 basketball cheerleaders had little time to prepare for another season of spirit, but they were ready. Cheering for the winning Freshman, J.V. and Varsity basketball teams was an exciting and enjoyable experience for all cheerleaders. Each player, manager, and coach received a card and some candy from a secret cheerleader before each game.

Basketball season was over on March 8, but the cheerleaders prepared for the annual Franklin Heights Invitational Cheerleading Competition. The Freshman squad

was awarded first place trophies in their level for cheering and pom-pom routine. For the third consecutive year the J.V. and Varsity combined squad took first in the Senior High Open Division. The J.V. went on to win first place in the Senior High Pom-Pom Division and the Varsity, a fraction of a point away, took second. Individual awards were given to Missy Davis, Dawn DeSantis, Jenny Croce, Heidi Townsend and Becky Johnston. Westerville North fans won second place for the greatest number of fans in attendance.

Mr. Randolph recognized seniors Denise Bagley and Sandy Neff with the Coach's Award. Rhonda King was chosen for All-O.C.C. and an

THE TENTH YEAR OF

ORGANIZATIONS

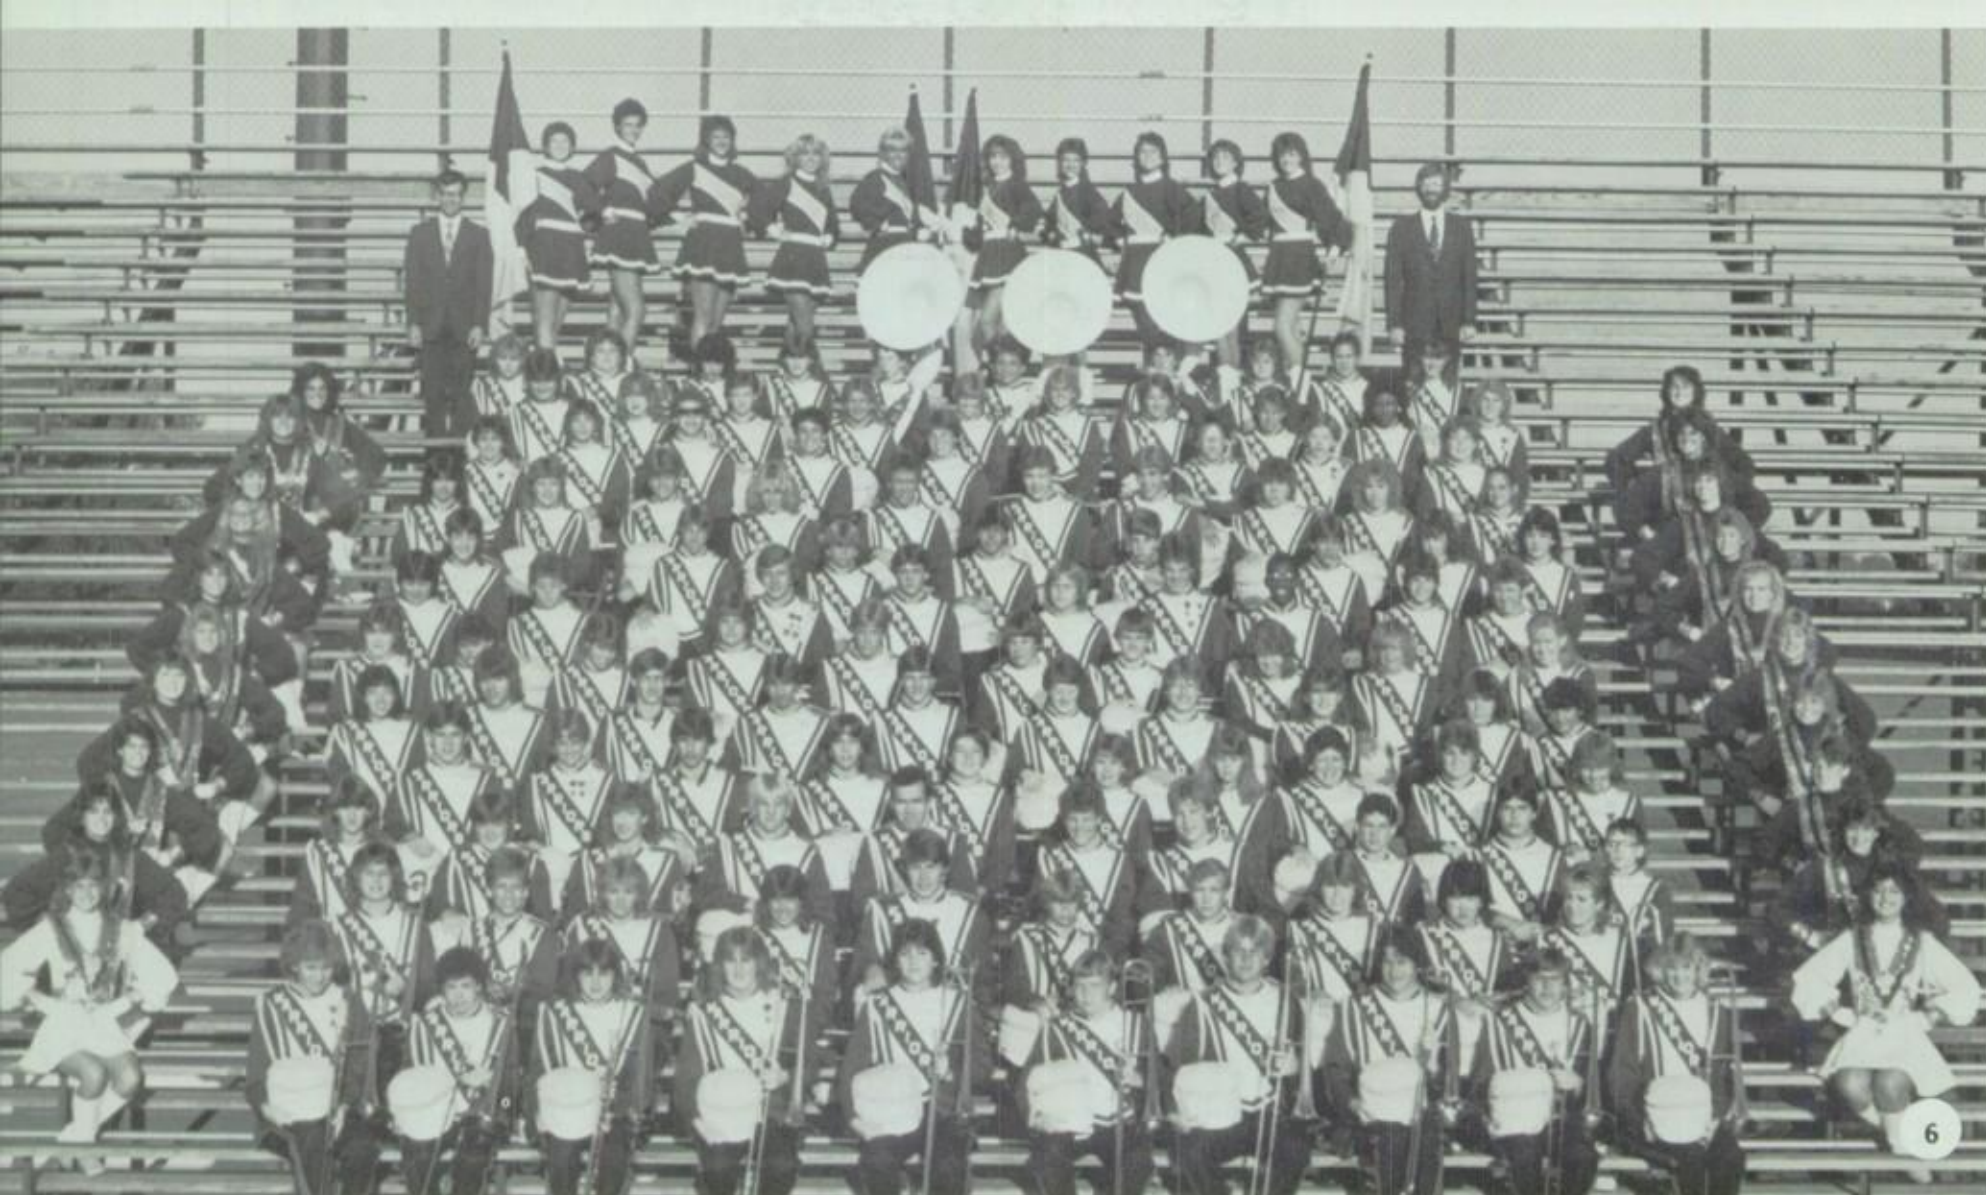

Marching Band shows

The dedicated 145 members of the Westerville North Marching Band spent many hours preparing for the 1984 football season. Their work began on August 13, which was the first day of band camp. The camp consisted of ten seven-hour days. During this time, the Marching Warriors learned many routines that would keep the fans entertained at the half-time of football games. The first show of the season was also perfected at this time. It was a re-creation of the first half-time show performed at Westerville North ten years ago. This performance included the songs "Brandy", "Yes Indeed,"

and "The Theme From M*A*S*H." On September 12, the Nationwide Corporation invited the Marching Warriors to play at the Geraldine Ferraro Campaign Rally, held at the Ohio Center. The songs performed at the rally were among the fifteen that were used throughout the season. The Marching Band concluded their busy season with a banquet honoring the members and their parents. Much hard work and dedication went into the perfection displayed by this group and the banquet was held as a final gift of appreciation.

spirit and pride

Band member Kristen Fitzpatrick battles the wet weather at the Beechcroft football game. Laurie Thivener and Kelly Keane join the rest of the band in the Warrior fight song. Band director Mr. Horch leads the Marching Warriors in one of their memorable half-time performances.

Wendy Forsythe, Jill Clark, and the flute mascot Fredetta express their enthusiasm for the Warrior football team.

Trumpet player Don Shipley concentrates on the song at hand during half-time performance.

Thespians perform with talent

Thespians, an honorary organization, was a busy group for the 1984-85 school year. Students involved in the organization must earn a certain number of points before becoming a member. These points can be earned through the participation in various productions. In the past year the Thespians sponsored the variety show, headed the New York tour, and directed the one-acts held in the WNHS drama room. Lisa Savage served as President, Beth Savage was Vice President, Carl Brenner was Secretary, and Todd Taylor served as Treasurer. The Thespians were advised by Mr. Tim Brown.

Bands provide entertainment

The Jazz Band, directed by Mr. Horch, had a very eventful year. The sixteen-member band played at various school functions and on many occasions performed for different community activities. The Jazz Band always performed with perfection which provided their audiences with great pleasure.

Flag Corps sets trend

The 1984 Flag Corps members began their busy season with a four day camp held at Otterbein College. The girls learned several routines and techniques which were used throughout the football season. These techniques allowed the Corps to successfully perform five different shows. The exciting routines performed added a special flair to the half-time shows. Many awards were given to this talented group at the banquet, held in The Westerville North commons. Captain Michele Daubenmier received 'Senior of the Year,' Co-Captain Debbie Miller won 'Junior of the Year,' and 'Sophomore of the Year' went to Gina Chiappi.

Drill Team dazzles fans

A three day stay at Ashland College in July started the hard work for this year's Drill Team. Practices were held during seventh and eighth periods every day throughout the football season. Captain Amy Moore and First Lieutenant Paula Borden led the girls in the skillful performances of five different routines. All-American Drill Team members Jaris Marshall, Cindy Harroun, and Kelley McCann were chosen to attend the Hula Bowl in Hawaii during January. Notables perfect skills

Westerville North's Notables always provide the community with entertainment and this year was no exception. On November 17, North performed in a Swing Choir Festival along with Westerville South, Westland, and Marysville, High Schools. The show included ballads, pop, jazz, upbeat, and Broadway songs. During the holiday season the Notables performed at their annual Christmas concert, as well as traveling to nearby schools and businesses. Among these were the J.C. Penney Insurance Company, the downtown Lazarus Store, and Walnut Springs. Solo and ensemble contests were fit into the busy schedule of the Notables, also. The Notables' talents were enjoyed by all.

Many of Westerville's younger students were delighted by the Orchestra when the group took time out to visit local elementary schools. Two major fund raisers, Tag Day and a cheese and sausage sale, kicked off the new year for these groups. Both choirs performed in the Christmas and spring concerts, held in December and May respectively. At the beginning of the year, officers were elected for the choirs. The 1984-85 Cardinal Band began their busy year with the Winter Concert on March 5. At this concert they played their contest music and one other piece. Next came the OMEA (Ohio Music Education Association) district competition on March 8. Musical pieces and sight readings were judged with the Cardinal Band competitors earning all superiors. Westerville North was the host for this year's Band-O-Rama held on April 21 in the North High gymnasium. Gold Band performs well

The 1984-85 Gold Band had a very good year. The group is composed mainly of freshman and sophomores, but occasionally houses a few juniors and seniors. The WNHS Gold Band didn't attend any large competitions this year due to not having the correct instrumentation. They did, however, send three events to solo and ensemble competitions and performed in many concerts. The concerts they played in were: the Winter Concert, March 5; the Spring Concert, May 16; and the Band-O-Rama, April 21. Once again Mr. Horch directed the Gold Band and is looking forward to having most of the performers back again next year.

The Ski Club has always had many members who wait in anticipation for the first snowfall, and this year was no exception. The 1984-85 Ski Club was one of the largest ever at Westerville North and had nearly 200 skiers. Snowtrails, in Mansfield, Ohio, was once again the official WNHS ski grounds. Ski Club members paid a fee to join the organization and this fee covered many things. Transportation to and from Snowtrails was provided, lift tickets were pre-paid, and all necessary rentals were taken care of. Mr. Princehorn was the advisor again this year and the chaperones were Mr. Wolfrom, Mr. Widder, and Mr. Loehr.

Photo club creates new images

The 1984-85 Photography Club was in charge of covering many school activities the past year. Included were the Homecoming and Sweetheart Assemblies. Mr. Alexander served as the organization's advisor. This was his first year in doing so. After school hours the group met and worked on developing pictures using special equipment available only at school. Financing came from a large sale of lollipops by the members. Tim Pavuk, a 2-year member, served as President, and Maria Vargas was Vice President. Wendy Forsythe and Greg Mead served as Secretary and Treasurer respectively.

1. Greg Mead reads over his notes in order to find the correct procedure needed to develop pictures.
2. At a photography club meeting, which is obviously exciting, Todd Gabel relaxes and attempts to remain attentive.

Club researches unknown

The Science Club, advised by Mr. Dave Weaner, played an important role in the 1984-85 Science Fair. Roughly one half of the members entered projects in the fair, and many judged the Junior High Fair. Two field trips were taken to the University of Virginia — one during Christmas break and the other in the spring. These trips proved to be very educational to the students. Bob Seitz acted as President while Brian Seemann served as Vice President/Treasurer. As stated by Mr. Weaner, "It is neat working with the students, and I wish there was a lot more interest."

4. Mr. Dave Weaner attempts to explain a concept to his science club members.

In The Know knows it all

The 1984-85 In The Know Team began their season with the WOSU Tournament. The nine member team, advised by Mr. Kirchhoff, won their first two matches. The third match, against Columbus Alternative, brought defeat after a long, hard battle. The Westerville North In The Know Team is in the Northeast ITK League along with nine other schools. As in years past, the team placed high in the league. This year brought one of the highest finishes ever. Seniors Andy Butler, Steve Cintron, Tom Pullin, and Mike Tutko provided the Warriors with a strong basis of knowledge.

1. Steve Cintron works diligently to arrive at the correct answer. Steve is a senior and has been on the In The Know team for two years.
2. Bill Schiffman, host of WOSU's *In The Know*, takes time to meet the Westerville North players before the match begins.
3. Tom Pullin stares blankly into space as he waits for the answer to come to him. Tom is a key player for this year's ITK team.

AFS studies many cultures

AFS, advised by Mrs. Dorene Linzell and Mr. Dick Debrosse, hosted two exchange students for the 1984-85 school year. Andrea Kellman, a student from Barbados, and Juan Acevedo from Peru. Three students from WNHS lived in host countries. Laura Wilson lived in Japan, Leslie Smith in France, and Debbie Radlove in Brazil. During the year AFS hosted an exchange weekend in which students from different countries visited WNHS. Most students don't realize that being a foreign language student is not a prerequisite to being an AFS member.

4. Juan Acevedo seems to be daydreaming instead of paying attention to his teacher, Juan is an exchange student from Peru.

Key Club volunteers its

The 1984-85 Key Club had a successful, eventful year. "Key Club is a Kiwanis sponsored service organization at the high school level that involves members in service oriented projects that benefit the school and community," as defined by Mr. Lou Simmons, advisor. The Key Club was involved in many community services, which included making money to give to various organizations. Their two biggest fund raisers were having a candy sale and sponsoring the Trivia Game of Westerville. The Trivia Game was made by G & J Ideas and turned out to be a very popular game. Between the candy

sale and the Trivia Game, the Key Club raised money to donate to the Boys' and Girls' Clubs of Ohio. During the holiday season the club volunteered their services at the Ohio National Guard Christmas party for the mentally retarded. At Easter their services were enjoyed by all who attended the Bunny Hutch at the YWCA. School services included parking cars for the football games and selling programs and taking tickets for basketball and football games. The club also painted the concession stand in maroon and gold.

Odyssey recognizes student success

A new format was used for the publication of the *Odyssey* for the 1984-85 school year. For the first time in North's history the paper was professionally printed. In order to cover the increase in the cost of publishing the newspaper, the staff was responsible for selling a large number of ads. Carla Kirby, the business manager, was in charge of handling this task. The goal of the *Odyssey* staff was to relate school activities and to recognize student achievements. The enthusiastic and hard working staff did an excellent job in doing so. Tina Franks served as the editor, and Mrs. Schmarr was the advisor.

1. Mrs. Schmarr gives Kathy Rowe advice on the story she is working on. An article must be good in order to be published.
2. Kathleen O'Neill, Andre Cooley, and Tina Franks discuss an upcoming deadline. Each staff member is responsible for turning in his assignment on time.
3. Proofreading her article, Kathleen O'Neill concentrates on every detail. Kathleen has had several articles published in the *Odyssey*.

Yearbook Staff creates memories

The *Golden Warrior* yearbook staff for the 1984-85 school year began their hectic schedule in June, when they sold ads to local businesses. Mrs. Bowman, the business advisor, advised the staff on keeping the financial records. This was her first year as a yearbook advisor. Also new to the staff was Mrs. Anderson, who was the advisor for layout and design. She did an outstanding job of learning the procedures and then teaching them to the staff. Sandy Hahn was the editor. The dedicated rookie staff produced this history of the year.

Student Council

The 1984-85 Student Council remained busy throughout the school year. In the fall, the Homecoming festivities were organized by the Student Council. Later in the year, they sponsored the Share Project, in part with National Honor Society. The Share Project involved a canned-goods drive and a dance in the commons. The annual blood drive was also sponsored by Student Council. In the spring, they organized a trip to Cedar Point open to all students. Throughout the year Student Council participated in many weekend workshops. Amy Noble served as President, Lavonya Farrow as Vice President, Robyn Gilbert as Secretary, and Mike Ochsenhirt as Treasurer.

THE TENTH YEAR OF

ACADEMICS

There have been several changes in the administration this year. Mr. Bill Resch became an assistant principal in charge of curriculum. The department also gained Mr. Larry Bettler, a new assistant principal who handles the students in the beginning of the alphabet.

Two policies in the administration that are being more strictly enforced this year are that no radios are allowed in the school and that no food or drink is allowed in the classrooms.

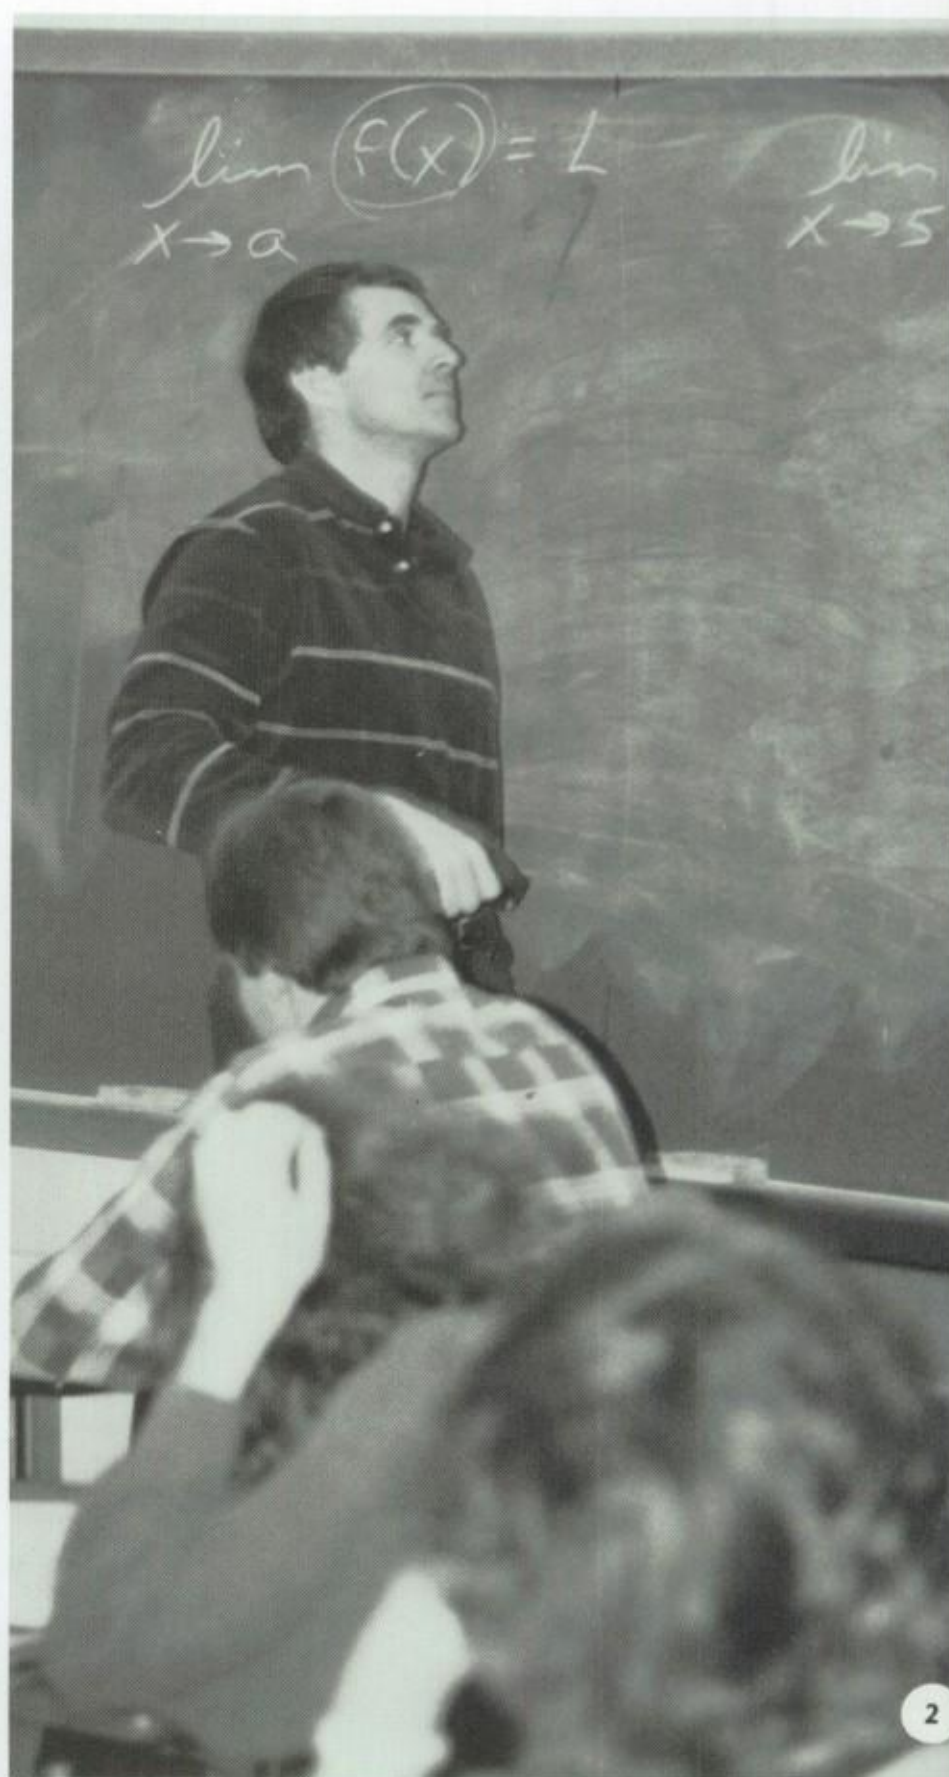

Westerville North was evaluated by the North Central Evaluation Committee. The school had visitors for each department present for three days. Mrs. Vicky Schmarr organized the program. The committee was very impressed with the school and gave North an excellent rating.

1. Mr. Bill Resch drops in on the Quest class for a quick snack.
2. Mr. Lee Whitaker expresses his feelings about the Westerville North Warriors. The drill team sold these spirit hands to raise money.

North receives "excellent" evaluation

North students have a variety of math courses to choose from in order to meet the one-credit graduation requirement and the two-credit college entrance requirement. With the increasing emphasis on math in many career fields, higher math proficiency is a must.

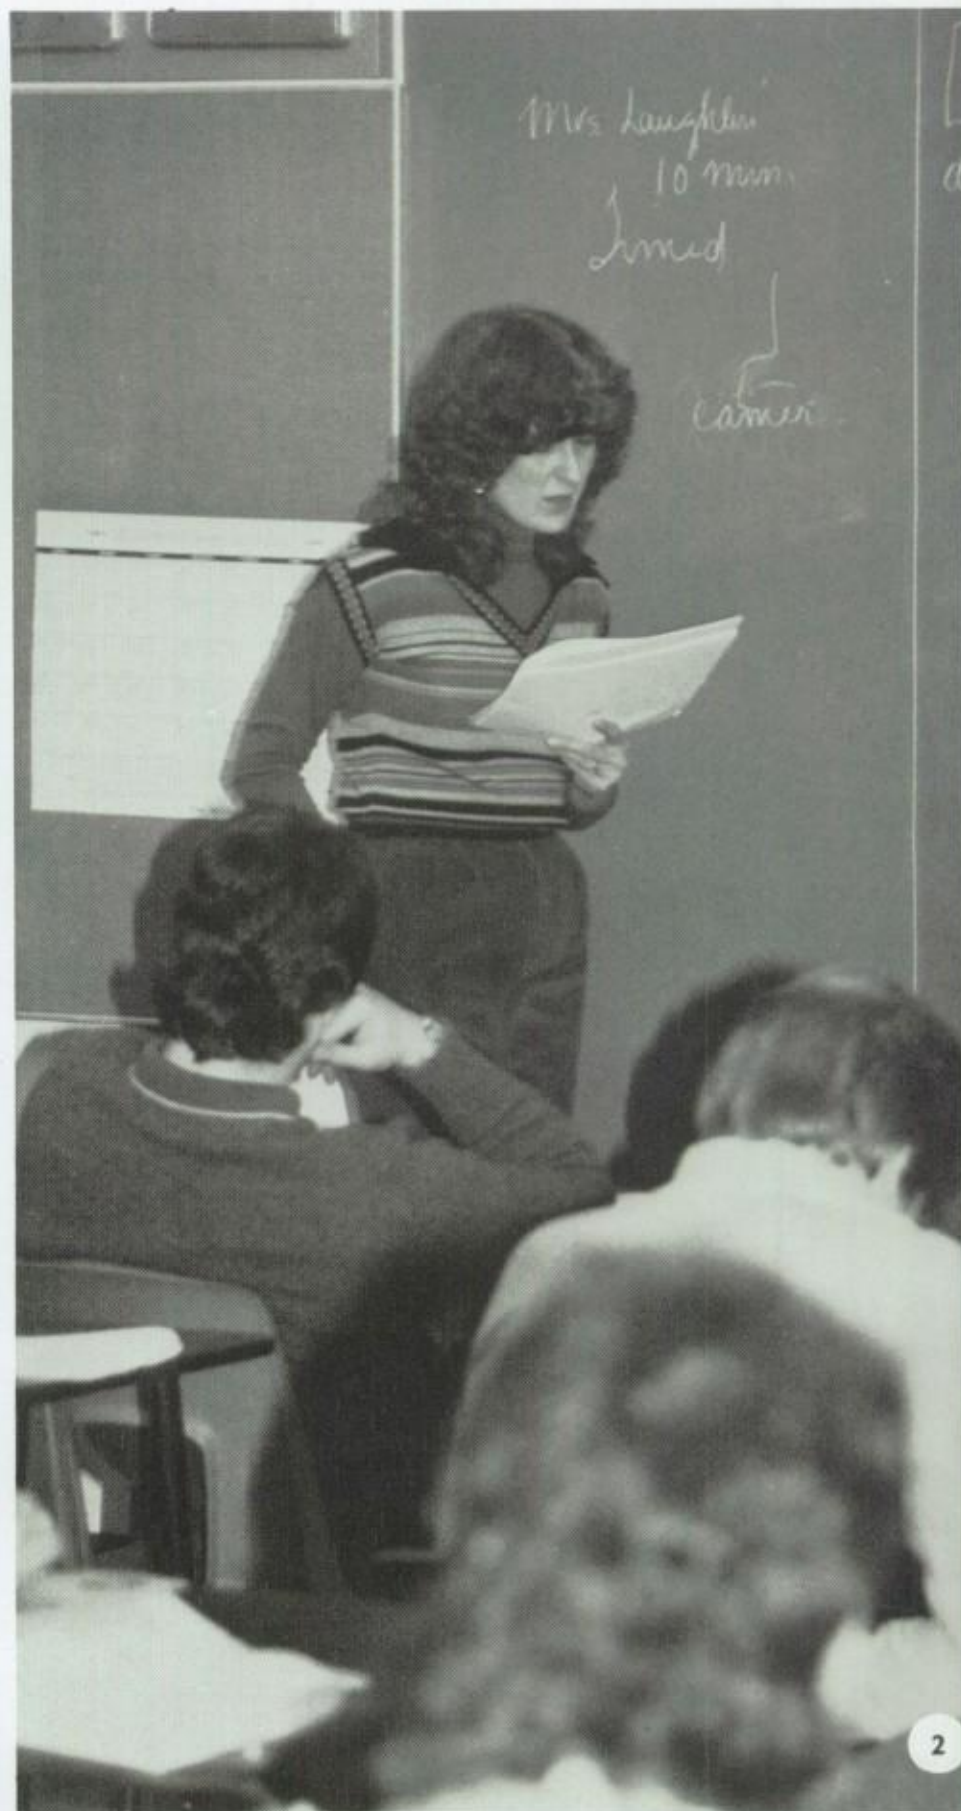

The 1984-85 school year began with several new teachers being added to the department: Mrs. Diann Bowman, Mrs. Marty Croy, Mrs. Liz Morse, and Mr. Jim Wright. Another important change was made by expanding the math-help program. Instead of the tutoring being offered only during lunch periods, it was offered 2nd through 8th periods, which provided more opportunity for math students to improve their skills. These changes have created greater student effort and better test scores.

1. Laura Wilson learns how to graph a parabola with the help of Mrs. Diann Bowman.
2. Mr. Bob Hindman tries to explain the theory behind limits to a confused Algebra III class.
3. Mr. Dave Witter takes a break from math class to discuss the latest football scores with two students.
4. Mr. Jim Wright explains factoring to Wendy Webster in math help.
5. Mr. Dave Hoover serves the double duty of guarding the halls and helping Kerri Gunderman with her Algebra II.

Changes in math program implemented

New English teachers, Mrs. Jane Anderson, Mrs. Charla Rae Bartelt, Mrs. Mary Campbell, Mrs. Sue Keyser, Mrs. Liz Laughlin and Mr. Mike O'Quin were welcomed by North students this year.

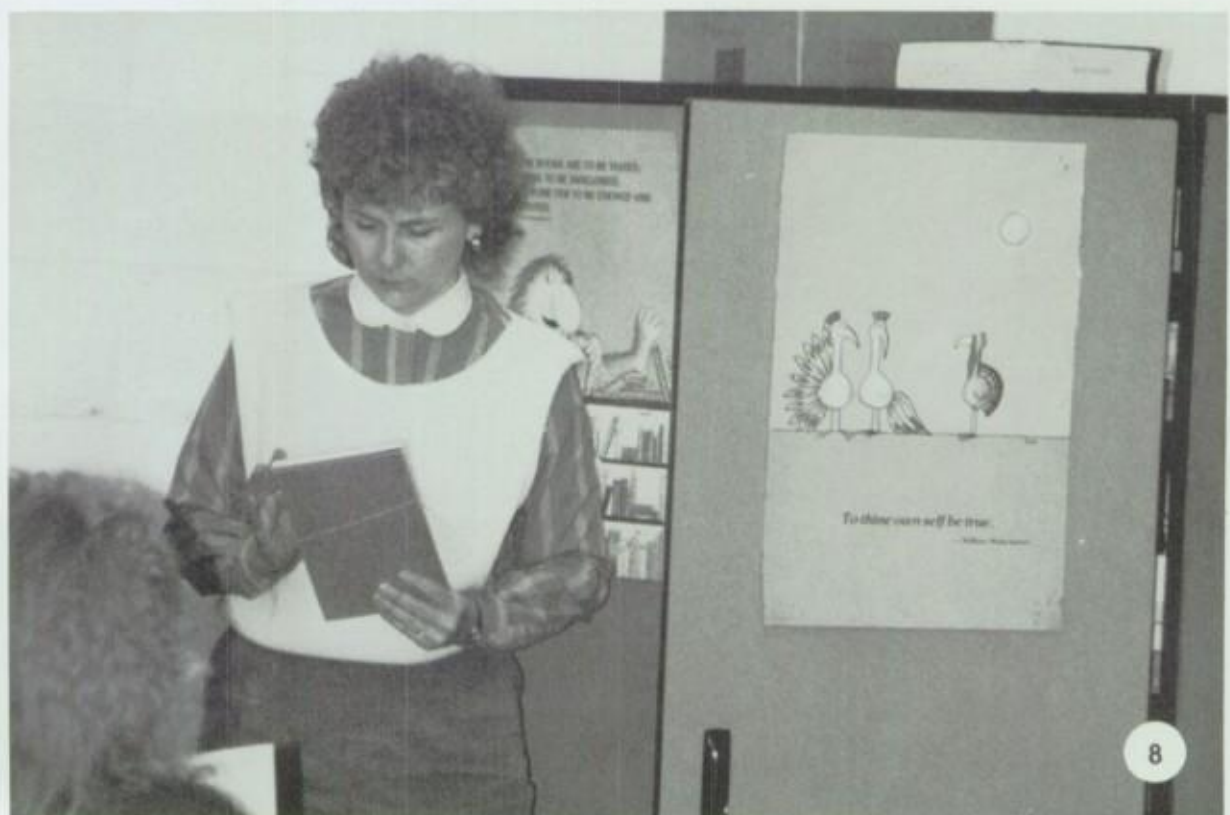

One major event of the year involved the extensive preparation for the North Central Evaluation Committee, which was coordinated by Mrs. Vicky Schmarr. Schools must have this evaluation every seven years in order to be accredited, and WN received an "Excellent" rating.

Led by the department head, Mrs. Barb Bulthaup, the English teachers have been working on changes in the curriculum. Their goal is to create a more logical progression of English classes from elementary to junior high through high school.

1. Shana Smith participates in a discussion about *Romeo and Juliet* in her freshman English class.
2. Mrs. Liz Laughlin explains the requirements for book talks in a tenth grade Coping with College class.

English dept. adds many new faces

The social studies classes were kept very busy this year. Mr. Kirchhoff and Mrs. Yoder held a medieval feast in an attempt to relive the middle ages. It was a success, and all the students enjoyed themselves.

The American History classes held a simulation of a Supreme Court trial hearing. All of the students were involved as witnesses, judges, and jurors.

8. Jeff Davidson is Chief Justice of the Supreme Court in an American History simulation.

Students celebrate medieval feast

The North science teachers are famous for their humorous and interesting personalities, as well as their skills in promoting academic excellence. Not only do they entertain well with "Molecular Fire," but they are also entertaining in science classes. Mr. Denny Wiegman, for example, is known to sing and play his guitar to get class attention, and he has an eye-opening explanation of the mole (the molecular weight of a substance).

Physics teacher, Mr. Dave Weaner, is not only instrumental in computer science projects but has developed a nuclear science program which is a unique educational opportunity for students.

Mrs. Joan Boos, Mrs. Julie Herold and Mr. Jeff Will are new additions to the innovative science staff.

1. Paul Wiseman enjoys the attention of Gail Imondi and Amy Madama. This trio always livens up their chemistry class.
2. Chemistry teacher, Mr. Jon Stonebraker, uses his body-guard size to man the southeast gate from intruders at the Friday night football games.

Science staff and program expands

This year the foreign language department added a new style of tutoring that was pioneered by the math department last year. Foreign language help is offered before and after school as well as at lunch periods to aid students with homework assignments.

Both French and Spanish classes held their annual Christmas celebrations this year. French students sampled traditional French cuisine, while Spanish classes smashed pinatas.

A welcome addition to all of the foreign language departments were the brand new books. In the past, teachers worked from books that were as old as the school, or in some cases, none at all. These books made it easier for teachers to organize lessons.

1. Darren Burkey takes a swing at the pinata in his Spanish class before a captivated audience.
2. Mark Glaser decides to be a pinata for a day.

Tutoring enhances foreign language dept!

The music department was very busy this year. Each group played in three concerts and Cardinal Band and all three choirs participated in contests. Miss Yvonne Clauer is engaged to be married. The wedding will take place in August.

Westerville North welcomes a new art teacher, Ms. Bacastow, who teaches during seventh and eighth periods. Congratulations go to Mrs. Ellis who gave birth to a little boy named Matthew Scott early in the year.

Students develop creative skills

The vocational program offers career opportunities to students not planning to attend college. There are four possible career centers that all of the students from the Columbus schools attend. There are a total of eighty programs that the juniors and seniors can choose from. Most programs run for two years so juniors are usually the ones first involved. Two of the programs are at North including OWE and auto mechanics. Vocational students attend one half day of classes at North and the rest is spent in their specific vocational program.

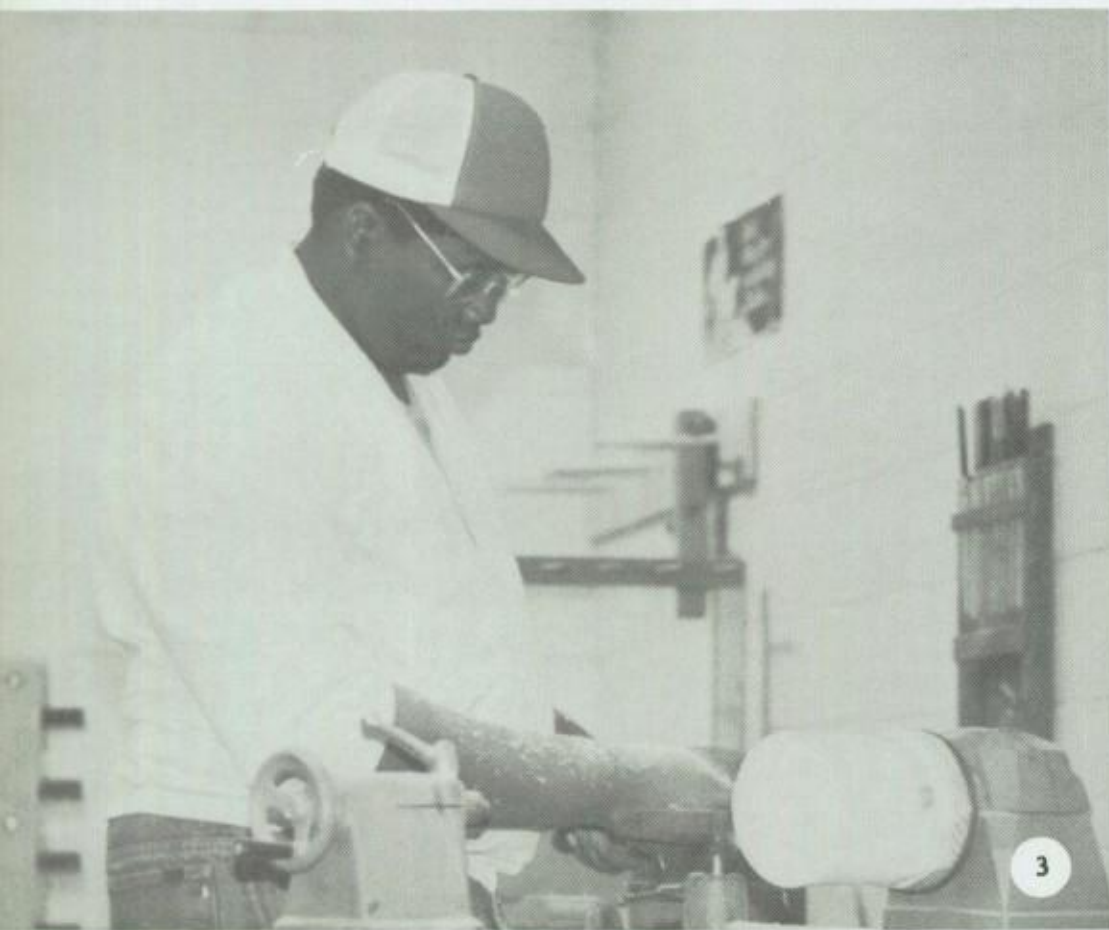

Auto mechanics is one of the vocational programs that involves both juniors and seniors at North. According to Tom Peet, "If students apply themselves well, they can get a job right after graduating from high school."

1. **VOCATIONAL TEACHERS** — Tom Peet (auto mechanics), Dan Fawcett (OWE), Ron Balconi (OWE), and Charlie Ross (auto mechanics).

Vocational offers career opportunities

"Quest" is a new course that was added to the home economics department this year. The class is concentrated on thinking, feeling, communicating, and decision making. Parent participation is also encouraged to try to help improve family relationships.

The typing classes also received new additions to their department. New typewriters were welcomed to help decrease their constant demand in the business department.

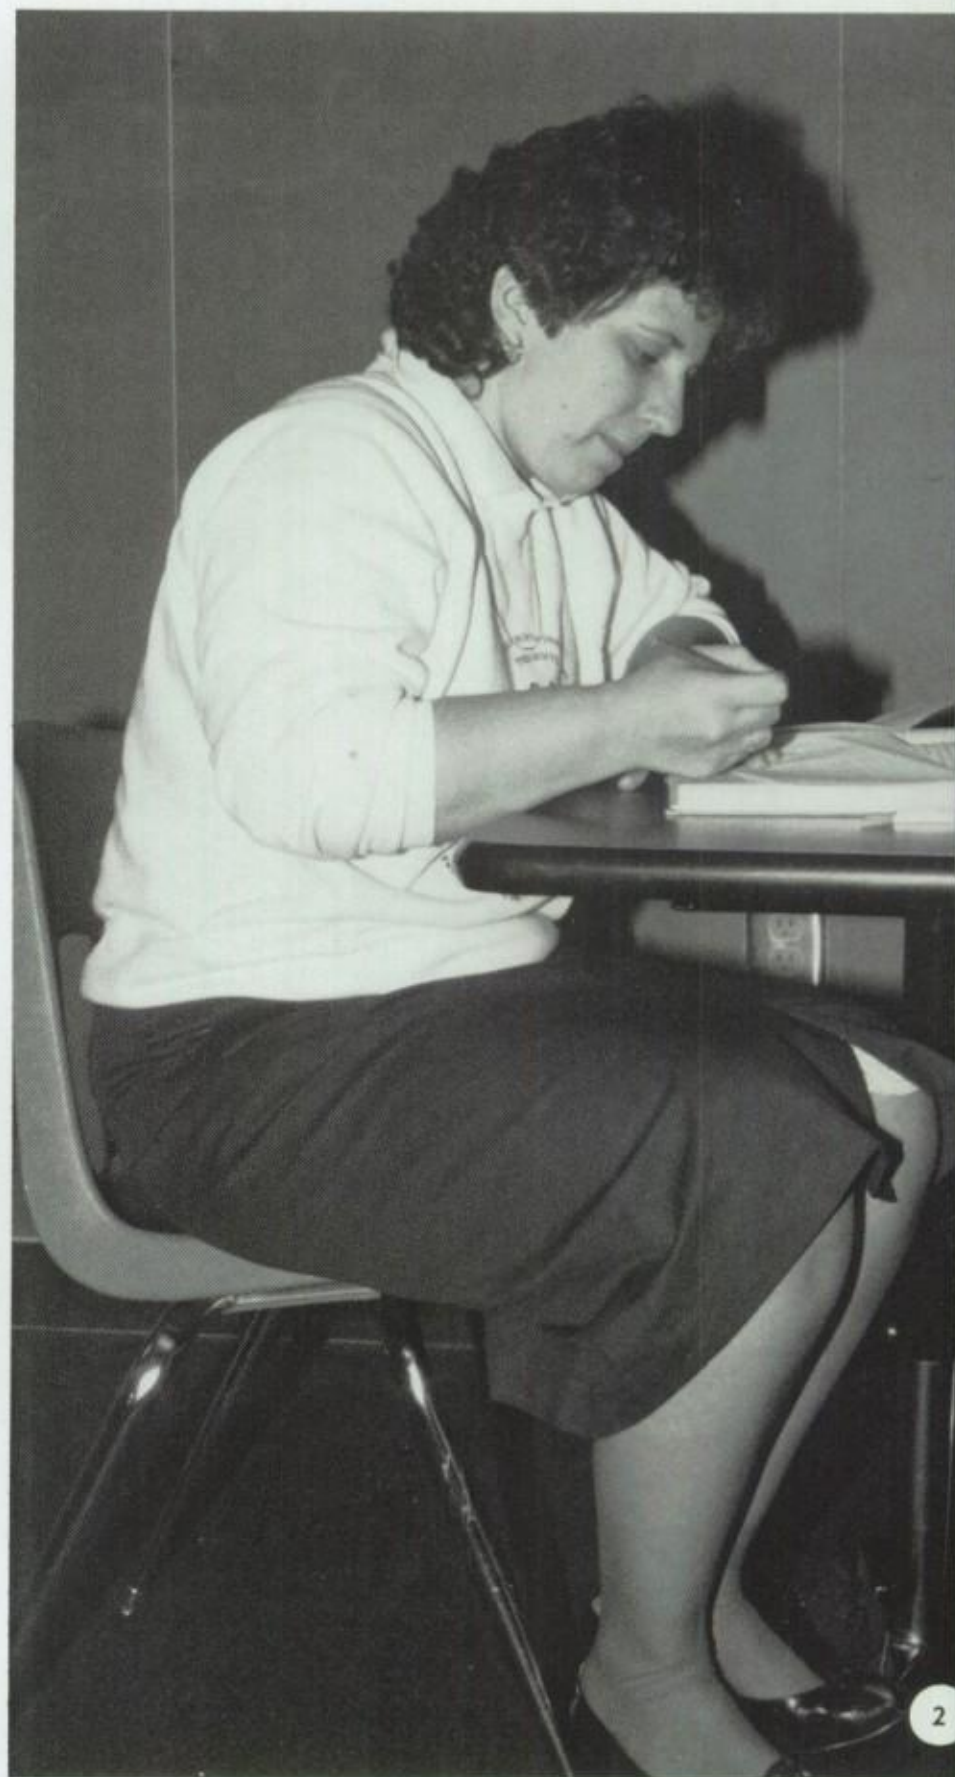

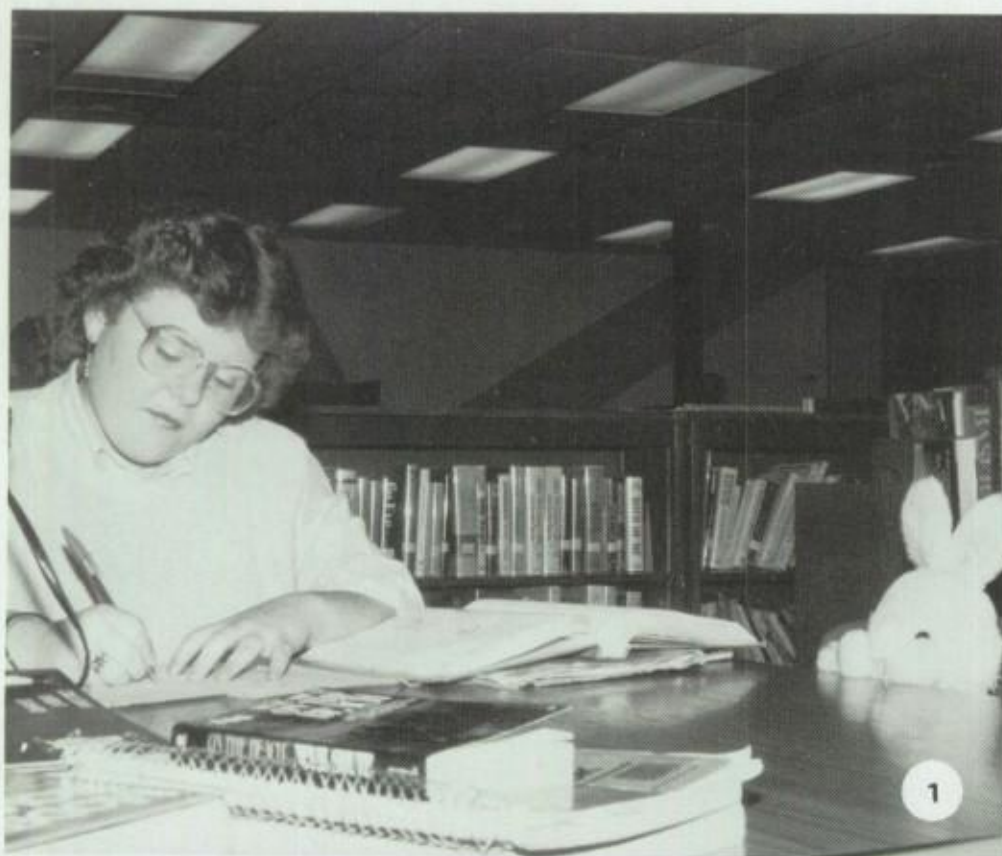

The industrial arts department is concentrated on Woodworking and metalworking. The skills that students gain can aid them in future employment as well as leisure activities and hobbies. Students learn to repair household products and to develop usable projects. Electronics, drafting, and graphic arts are offered to North students through Westerville South.

1. In basic typing class, Noriko Konno studies the keyboard of one of the new typewriters.
2. Shir're Foster sorts material for a home economics sewing project.

Friendship discovered in Quest

The media center has had several changes this year. Electronic dial access via Apple Computer has been added. Students can identify a topic to be searched and the computer will access databases such as DIALOG and CompuServe. This is a great help to all students. The media center also hopes to be able to access the Westerville Public Library in the near future. Cindy Mills is new to the school this year and Carla Noll made a change to the media center from the English department.

The tutoring department offers a great deal of help to many students. The L.D. tutors assist students who need more

specialized help and the L.D. teachers give remedial courses in academic areas. Congratulations go to Miss Ellen Hart who became engaged.

The school nurse, Roberta Brady, offers several services to students. She keeps track of all the students' immunization records and notifies them when they are in need of a shot. The nurse's office is also the place to go when a student becomes ill at school.

The Board of Education meets once a month to examine the quality of the schools and to decide on new procedures.

Members of the staff give specialized help

Walking into any office at Westerville North means being greeted with a smiling face. Mrs. Sauerman is in charge of Mr. Whitaker's heavy schedule. The other main office secretaries keep busy directing students to the proper resource person as well as organizing all the school activities. Guidance office secretaries aid counselors with students who are scheduling or seeking college assistance. The attendance office keeps records of students' absences, early dismissals, and tardies. Mrs. Lewis, in the athletic office, helps with planning and scheduling all athletic events.

Custodians are another important aspect of the school in preparing for athletic and social events. Every day begins with the face-lift the custodians have given the school.

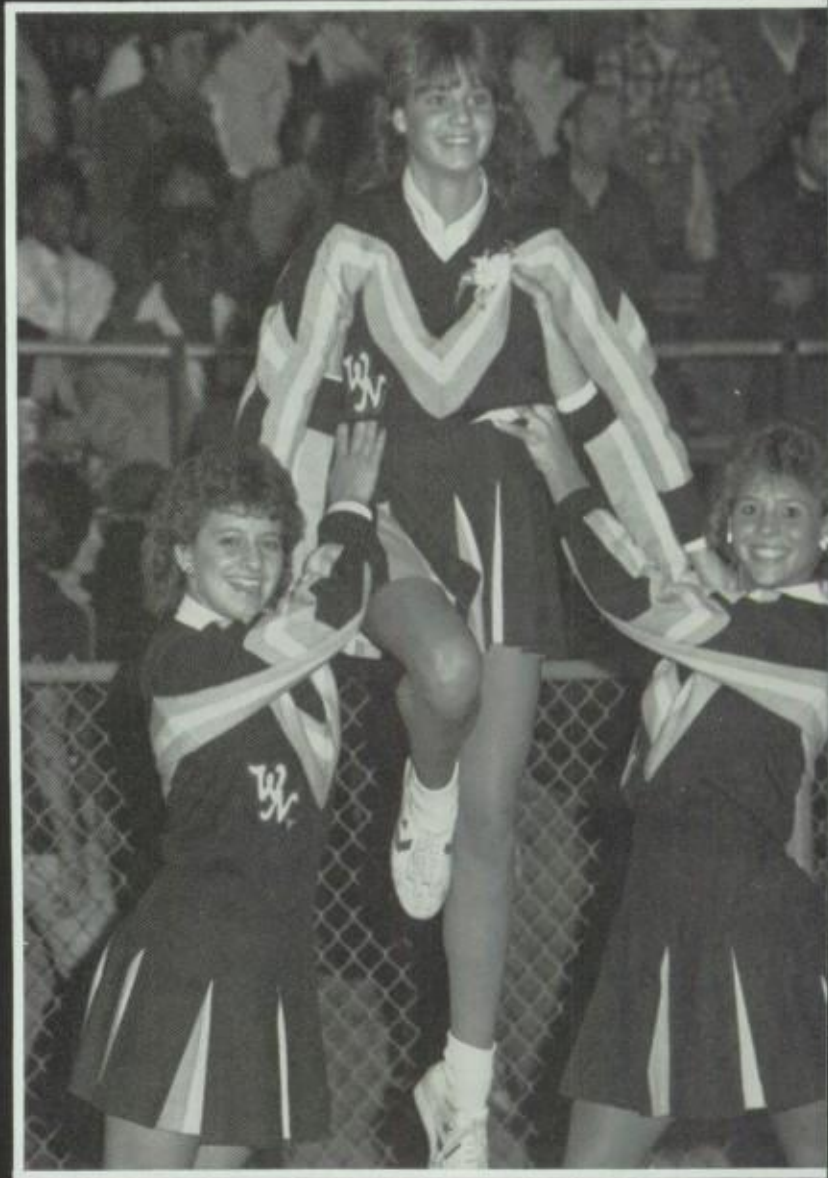

1. Mrs. Montgomery looks up from the completed absence list to see another student come in late. She is one of the new secretaries this year.
2. Mrs. Kaser answers yet another phone call. She is Mr. McCann's personal secretary and knows her job well since she has been at North for ten years.

Warriors settle score

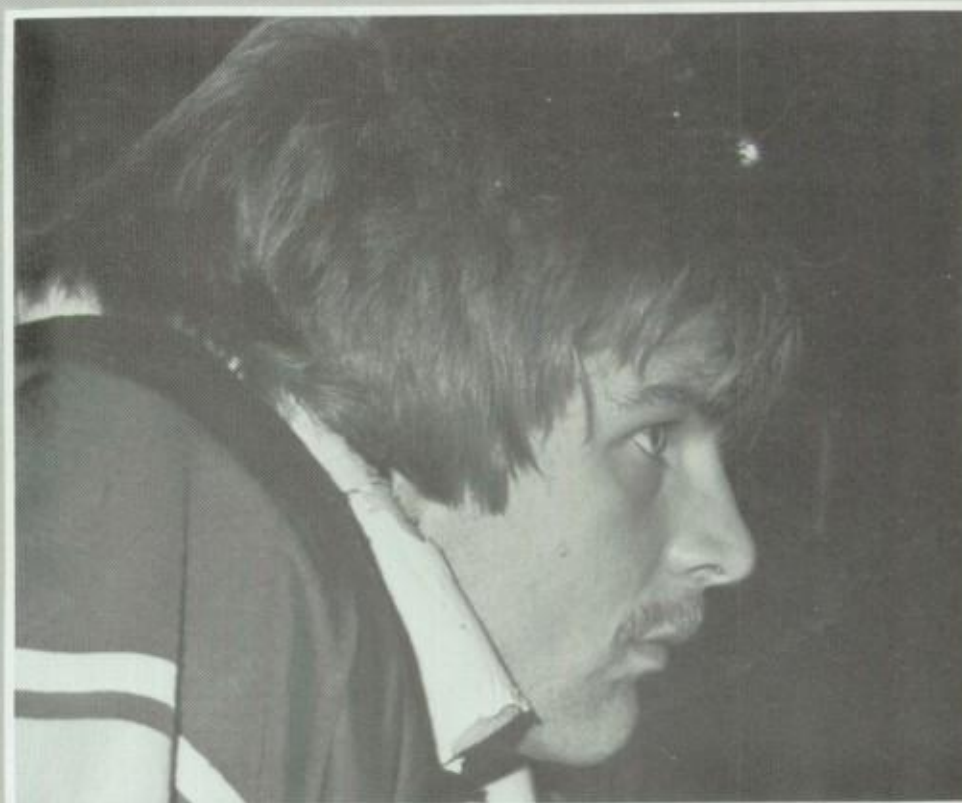

by Matt Munroe

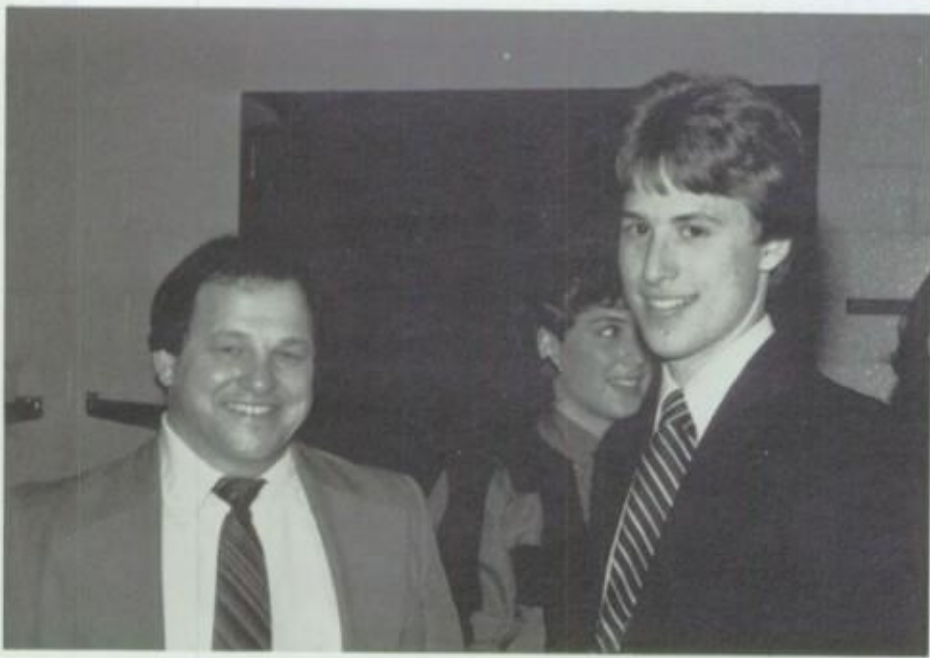

This year North hosted the fourth and final meeting between the seniors of Westerville North and the Gahanna Lincoln Lions. For three consecutive years we had been beaten. We were determined that our senior year would be different. We had to defeat Gahanna. As the day of the game approached, the tension built in the fans as well as in the players. When it was chosen the "game of the week" the anxiety increased. Everyone knew that the game would be covered by the local press.

The day of the game finally arrived, and no one could concentrate on school work. Later that day it was announced that we would play to the largest crowd ever to assemble in County Line Stadium. A feeling of closeness came over the team as we got dressed for the game. I remember looking around and seeing all my best friends with the most serious looks on their faces. That was something different for our team. Of course we took all games seriously, but it was our nature to joke around before a game.

The next thing I knew, we were headed onto the field. I remember looking up and not believing my eyes. The stadium was overflowing. Starting with the opening kick-off, we showed why we were number one in Central Ohio. We controlled the game, shutting down the offensive attack of the "Powerhouse Lions." Then the game was over and the score was Warriors 10, Lions 0. It was hard to believe. I'll never forget the feeling I had when I read the headline: Warriors roll over

Lions. That is a memory that sticks with every senior who was a part of the squad. The memory that we did it!

Students explore life

by Shelly Grant

Here at North there are many opportunities in the science department. All the students are encouraged to do Science Fair projects and to have the chance to compete in local, district and state fairs. The science teachers are very helpful, too. They always have time to aid in any activities that a student might wish to explore.

All the science courses, whether it be chemistry or biology, make use of Larimore Land Lab, which is used for plant and chemical analysis. This gives the students a good opportunity to use the science knowledge they have gained and apply it to real life situations. Students are encouraged to go on field trips to do extra studies on plants, water, etc.

In the advanced science courses, students learn how to write research papers and are taken to Ohio State University Libraries to learn how to use and find more accurate science data. Also in the advanced classes, the students are required either to write a research paper or to conduct a research project.

Our science courses and teachers really do their best to help prepare us to do our best on the college level. We appreciate all the science teachers extra time and efforts to further our education.

On top of the beat!

by Angela Ai

Although they usually sing and dance, a little acting also goes into this hard-working group. This year's Notables consists of twenty-three dedicated members: Angela Ali, Betsy Anderson, Jeff Anderson, Carl Brenner, Jennifer Croce, Monica Enz, Mark Erickson, Robyn Gilbert, Tony Gilmore, Scott Houston, Drew Kirchhoff, Tine Neff, Steve Nelson, Debbie Radlove, Lisa Savage, Brendan St. John, Tamara Strickland, Todd Taylor, Rod White and Barb Williams, who are accompanied by Mark Whalen, Mike Clark and Jeff McCurdy.

Their year started off with the annual Swing Choir Festival in which swing choirs from different schools were invited to perform in a combined show. This year, groups from Westerville South, Westland and Marysville attended. It was an exciting evening of entertainment.

The only contest the Notables entered this year was the OMEA (Ohio Music Education Association) Solo and Ensemble Contest. The judges listened intently as the Notables went on to give a Superior I performance of "Fire, Fire, My Heart,"

composed by Thomas Yorley. The Little Turtle Country Club, Mark Twain Elementary School, Walnut Springs Junior High, Embassy Suites and the school levy rally were also places the Notables entertained.

They have worked hard and accomplished a lot, but most of the applause belongs to their director, Mrs. Joyce Stonebraker. "Notables weren't always like this. In their first year, they were mainly a chamber group with mostly singing and little dancing. As swing choirs became 'the fashion,' the Notables took on the form they are today," says Mrs. Stonebraker. "Now I just choose songs which appeal to the audience. As far as talent is concerned, professionalism and showmanship far excel the first years that I taught at North."

The talent each member possesses has been further developed by Mrs. Stonebraker. Without her dedication and contribution, the Notables would not be where they are right now — on top of the beat!
